

Everyone's going ductless. Now it's your turn.

There are so many reasons to love ductless heating and cooling systems. Energy savings and comfort at your fingertips are just the beginning.

Go ductless and get a \$100 instant discount with up to \$1,500 in utility incentives.

With ultra-quiet, even circulation, 25-50 percent savings off your electric heating bill, easy installation and air conditioning that comes standard, going ductless is just plain smart.

When you install a ductless heating and cooling system through Automatic Heat Service & Installation, you'll get a \$100 instant discount simply for mentioning who referred you,* and they'll get a little thank you gift, too. You can also earn up to \$1,500 in utility incentives plus state and federal tax credits on qualified systems. That's nearly \$1,700 in savings.

Getting started is easy. To schedule a consultation, call Automatic Heat at 541-726-7656 or visit AutomaticHeatCo.com/DuctlessReferral to learn more.
